We welcome you to join the summit, the platform for global agri and food ecosystem to partner with Jharkhand. I’m sure this summit will be a stepping stone in doubling farmers income by 2022.

- Shri. Randhir Singh
Hon’ble Minister of Agriculture, Animal Husbandry & Cooperatives
The Government of Jharkhand led by Hon’ble Chief Minister Shri. Raghubar Das is organising the ‘Global Agriculture and Food Summit’ on 29–30th November 2018 at Ranchi. This summit is in line with the concept of ‘Doubling farmers income’ initiative of Hon’ble Prime Minister Shri. Narendra Modi, and to ripen high value investment opportunities in agriculture sector of the state.

**OBJECTIVES OF THE SUMMIT**

- To showcase the rich agri ecosystem of Jharkhand and utilise the untapped potential of agriculture and food sector
- To develop sectoral value chains which enables forward and backward market linkages
- To provide a platform for networking to business community, government representatives, Farmers Producer Organizations (FPOs), progressive farmers, agri entrepreneurs and other stakeholders
- To double the farmers income by 2022 and to make Jharkhand as a food processing hub in eastern india

**VISITORS’ PROFILE**

- Agri Entrepreneurs
- Progressive Farmers
- Farmers Producer Organizations
- Agriculture Equipment Manufacturers
- Policy Makers
- Heads of Foreign Missions/ Embassies in India
- CEOs of Indian and Multinational Companies
- Agri Input Suppliers
- NGO’s
- Academicians and Agri Scientists
- Thought Leaders
- Organised retailers and exporters

**FOCUS SECTORS AND INVESTMENT OPPORTUNITIES**

- Agriculture Equipment
- Organic farming in Horticulture and Agriculture
- Agriculture start-up and Agripreneur Ecosystem
- Food Processing
- Dairy, Poultry and Fisheries
- Feed & Fodder
The State of Jharkhand was brought into existence on 15th November 2000 after carving 79.70 lakh hectares geographical area from the State of Bihar for better planning and execution of development activities of an ecologically different zone (Hills & Plateau region compared to Bihar plains). Jharkhand state is endowed with vast and rich natural resources mainly those of minerals, forest & rich agro climatic zones suitable for horticulture, fisheries, dairy, and forest produce.

**Record Tells**

- **5th** Rank in production of Litchi, Lady’s finger/okra and Peas
- **6th** Rank in production of Red gram, Cabbage & Beans
- **8th** Rank in production of Jackfruit
- **2nd** GSDP growth of ~11%, 2nd highest amongst the 20 major states of India
- **4th** Rank in “Ease of Doing Business” in India

The state is home to premier research and academic institutes like XLRI, NIT Jamshedpur, Birsa Agriculture University, IIM Ranchi, Indian Institute of Technology (ISM), India Institute of natural Resins and Gums, ICAR etc. This makes Jharkhand one of the key valuable human resource hub as well as research hub in the country. Large proportion of young population provides a unique proposition to the investors.
